## **Issues 6+7: Update.**

The **last magazines of 2018** are arrived from San Francisco.

Like everything in 2018, there was a problem that did not allow me to send my magazines to the library.

All texts were cut by the displacement of the layout to the left, by the printer guy ahah.

After all the checks, the details have been perfectly respected and the colors are just super beautiful.

PEOPLE IGNORE THE STRANGE AND UNUSUAL  
I MYSELF AM STRANGE AND UNUSUAL
