

In dream. As if!

Baby underground

Shared Language of Light presented by the London Institute for Advanced Light Technologies (London Light) for the UNESCO International Day of Light.

Over the past few months, [London Light](#) has been accepting submissions for Lighting Up 2021.

The panellists chosen videos from the submissions that spoke them, and they will be discussing them tomorrow.

**View on the submissions on their Instagram or [Twitter](#) accounts.
LCN Operations Coordinator & Research Project Manager
King's College London**
