Update 2.

[flic.kr/p/Ht62c7](https://flic.kr/p/Ht62c7). Instant photograph 5,4 on 8,6 cm.

**Scientific Art.** All works follow long readings and research.

**This is a bulb break in a DIY little obscure box with a pinhole camera.**

**Art prints 10x13 cm of Analogue instant photograph 5,4 on 8,6 cm.**

**Signatures: glitters encrustation and removal of borders.**

**Framed under plexiglas frame.**

**Photographs are registered and numbered in a [Gallery](#)**

**I now learn for other ways to use instant camera obscura bigger as possible =)**

**[800mm shoot of the last nite moon](#)**

**update**
